Number: E-64444451-100-330198

12.11.2021

Subject : About the ground Improvement between Bozkurt and Dinar

TO: JAGS INNOVATIVE PRODUCTS İNŞAAT SANAYİ VE TİCARET LİMİTED ŞİRKETİ  
Merkez Mahallesi Çavuşbaşı Cad. No.73 İlhanlar İş Merkezi 1 Kat 1  
34782 Çekmeköy İSTANBUL

Reference : Letter of Jags Innovative Products İnşaat Sanayi ve Ticaret Limited Şirketi dated on 14.10.2021 with the number of 777747

With your referenced letter, information was requested about the current status of the soil improvement sections which is made in the scope of renovation works for approximately 75 km between Bozkurt-Dinar stations by applying the **Novocrete technique**.

There were no problems and no adverse conditions (deformations) detected in the part of railway line that the ground improvement was made.

We are kindly submitting to your information.

Levent ÖZSOY  
Asst. Department Head

Mahmut CİVAN  
Deputy Department Head
